Holy Family Canossian College Alumnae Association

The new school year started with some sudden changes and some bad news. Indeed it is always difficult to bid someone farewell, but we have to follow God's will.

***In Loving Memory of  
Sr. Margaret Lee  
(1933 - 2011)***

Sr. Margaret Lee, our beloved Principal in the 1970s, returned to God peacefully on 3 September 2011. Her funeral service was held on 6 September and a requiem mass was offered for the repose of her soul in the chapel of the Canossian Daughters of Charity, Servants of the Poor on 22 October.

Sr. Margaret was born in Hong Kong on 1 February 1933. On 14 August 1952, four years after her baptism, she joined the Canossians, making her first profession in Hong Kong in 1955 and her final profession in Rome in 1961.

As Principal of Holy Family (1973-79 and 1985-88) Sr. Margaret had inspired generations of Holy Familians. She was a great teacher and leader, and a lifelong serving companion to Canossian Daughters of Charity. Sr. Margaret had touched the lives of many, many people, young and old. She will be missed, and her life teaching will live on and be remembered by us.

### **Thank You Mrs. Chiu & Welcome Ms. Chan**

At the first meeting of this executive year, Mrs. Yip introduced Miss Anita Chan, the new AA advisor to replace Mrs. Wendy Chiu, to the committee members. Like all of us, Miss Chan is a Canossian graduate. The committee gladly welcomed this new member into our big family and looked forward to working with her as a new team; meanwhile, recollecting our freshly-formed friendship, we reluctantly said goodbye to Mrs. Chiu. Given her multiple identities as an alumna, teacher as well as advisor, it is not unreasonable to regard her as one of the most devoted Holy Familians! We cannot thank her or Mrs. Chan Wong Ka-po enough for their hard work last year. Despite her leaving the committee, Mrs. Chiu will undoubtedly continue to be our valued friend.

### **Report on Mentorship Programme**

A Mentorship Program was organized with the objective of fostering students of average standard to find their goals in life and strive for a better future. The pilot programme was launched in March 2011 and ended in mid-July 2011. In order to keep the programme manageable, 10 mentors were invited amongst previous committee members or friends of current committee members, and 10

mentees were selected from over 30 applicants based on comments from teachers. During the programme, each mentor was paired up with a mentee to interact regularly, to coach the mentee to become a better person.

On the whole, both mentors and mentees benefited from the programme. Mentees' ability to build up self-confidence and set clearer goals was generally enhanced. Such improvement can be reflected in their academic achievements in their latest report cards.

On the other hand, mentors appreciated the opportunity to learn about the concerns and culture of teenagers. They highly recommend that the activities be extended to a year round programme catering to larger audiences in future.
