Dear Sr. Cynthia,

On behalf of all the HFCC AA members and alumnae, I would like to congratulate you for the wonderful and successful 35th Anniversary Open Day of our Mother School on November 4 & 5, 2006.

Under your excellent leadership and the well-organizing and fabulous coordination skills of the school staff members, the rundown of the Blessing of New Annex, Thanksgiving Mass and Opening Ceremony of 35th Anniversary Open Day turned out to be very enjoyable and memorable. The PTA committee members, parents and students give their greatest support to the school activities as well. We are so impressed by the team spirit of all participants in these school activities.

We enjoyed ourselves very much and thank you for your invitation. We were so glad that we could share the joy and great memory at such an important event.

Yours faithfully,

Eva Cheung
